ANNUAL CAMPUS SECURITY REPORT

REPORTING STATISTICS FOR CALENDAR YEAR 2024

Prepared August 2025

Introduction

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (the Act), originally enacted by congress in 1990, codified at 20 USC 129(f) as part of the Higher Education Act of 1965, is a federal law that requires colleges and universities to disclose specific information about crime and security policies on an annual basis.

The original law, and subsequent amendments, was championed by the parents of Jeanne Clery, who was murdered in her dorm room at Lehigh University in 1986. Amendments to the Act in 1998 renamed it in memory of Jeanne Clery (The Clery Act).

In 2008, the Higher Education Opportunity Act (HEOA) (Public Law 110-315) reauthorized and expanded the Higher Education Act of 1965, as amended. HEOA amended the Clery Act and created additional safety and security related requirements for institutions of Higher Education.

Title IX, The Violence Against Women Reauthorization Act (hereinafter VAWA) and the Stop Campus Hazing Act have added additional requirements to Chemeketa to ensure safety to both students and employees.

The information contained in this report is provided to assist students and their parents in making decisions that may affect their personal safety when considering enrollment at Chemeketa Community College. The report also provides students/prospective students and current employees/prospective employees with information they may need to avoid becoming victims of crime on campus.

Safety and security at Chemeketa Community College is a community effort among our students, employees and volunteers. Safety and security concerns are recognized as an important part of providing an appropriate learning environment.

Chemeketa Community College, through its Public Safety and Emergency & Risk Management departments, is committed to preserving a safe

and secure environment on behalf of every person who learns, works or visits college owned and/or controlled property.

Campus History & General Information

Chemeketa became a community college in 1970, and currently comprises the Salem campus along with the 2009 addition of a full-service campus in McMinnville, Oregon. The college also maintains outreach centers located in Woodburn, Dallas and Brooks. In addition, the Center for Business and Industry (CCBI) provides training in its downtown Salem location, and Chemeketa at Eola houses the Northwest Wine Studies Center.

The Salem campus consists of approximately 185 acres, ten major buildings and approximately 50 smaller buildings. Chemeketa, an open campus with no physical barriers between the campus and Marion County, is the second largest community college in Oregon, serving approximately 17,670 students per year.

Chemeketa does not have residential housing facilities, either on or off-campus.

More information on the Clery Act can be found on the Department of Education's Campus Security website: http://www2.ed.gov/admins/lead/safety/campus.html

Chemeketa's Public Safety Office

The Public Safety Office is part of the Governance and Administration division and the Director of Public Safety reports directly to the Vice President of Governance and Administration.

The purpose of Chemeketa's Public Safety Office is to promote and maintain the safety and security of persons who use the college, and ensure college owned and/or controlled property by the college is secure. The purpose is accomplished by:

- 1. Providing fair and impartial enforcement of college policies and traffic code.
- 2. Providing assistance to students, employees and the general public.
- 3. Preventionanddetection of unlawful/unsafe criminal activity.
- 4. Cooperation with law enforcement/fire/emergency medical technicians at all levels.
- 5. The Director of Public Safety actively provides face-to-face personal safety training for both students and new employees, and co- chairs the college's Threat Assessment Team.
- 6. Public Safety has an Operations Supervisor that is second in command of Public Safety. The Operations Supervisor schedules and supervises the Public Safety Officers and also handles the day-to- day operations of the Public Safety Office.

Authority

Public Safety officers have authority to enforce all rules and regulations promulgated by the college, and in addition may make physical custody arrests for offenses committed in their presence. Public Safety employees respond to all manner of calls for service originating on property owned by the college.

Under Oregon Revised Statute (ORS) 341.300, the College Board of Education has adopted regulations governing the enforcement of regulation of traffic and parking of vehicles on college property. The above referenced statute gives Public Safety officers the authority of peace officers in enforcing regulations adopted by the Board. The college has entered into an agreement with the local justice court to allow Public Safety officers and local and state police officers to enforce violations and laws contained in the Oregon Vehicle Code on college roadways and parking lots.

Officers are trained in a variety of law enforcement related topics, carry normal defensive weapons, including handcuffs, baton and pepper spray, and have received first-aid and Automated External Defibrillator (AED) training. Chemeketa's Public Safety Officers do not carry firearms.

Duties

Public Safety Officers are available to provide services to all campuses and centers across the service district. Officers conduct foot, vehicular and bicycle patrols on the Salem campus. In addition, officers are in contact with Public Safety dispatch by radio, and also have radio communications with the local sheriff's office, 911 dispatch centers, fire department and the college's facilities department.

The Yamhill Valley Campus and Center for Chemeketa Business & Industry (CCBI) have a full-time Public Safety presence fulfilled by a contracted security company.

The Salem Campus Public Safety Office which consists of dispatchers, and student workers, also administers a system of closed circuit television cameras to act as a deterrent to unlawful or unsafe activity and to identify persons who may be responsible for such activity.

Personnel from the Public Safety Office are available to address potential security or physical safety concerns in presentations to groups, or to assist in developing procedures to address security concerns upon request. Upon request, the Director of Public Safety tailors security and physical safety plans for the college department's individual needs and locations.

The Public Safety Office has a close working relationship with the Marion County Sheriff's Office. Sheriff's deputies are stationed on the Salem campus in Building 38, the Brooks outreach center and Santiam Center. They provide support for Public Safety Officers upon request. Both Chemeketa and Marion County share relevant information to apprise each office of information related to actual or potential criminal activity on campus, outreach centers or in the surrounding area.

The Public Safety Office is also in contact with local and state police agencies concerning safety of persons and property at the college's other outreach locations.

Reporting Crimes on College Locations

Unlawful/unsafe criminal activity or emergencies should immediately be reported to the Public Safety Office, located in Building 38, on the Salem Campus, either in person or by telephone at (503) 399-5023.

The Public Safety Office may also be contacted to discuss security concerns. In the event of a situation believed to be life-threatening, such as fire or medical emergencies, the local 911 Communications Center may be reached by dialing 911 from any campus phone. The 911 Center has flagged all college locations so that any 911 call concerning the college would alert the call taker to call the Public Safety Office to ensure our officers also respond. Anyone calling 911 with an emergency is encouraged to also notify the Salem Public Safety Office at (503) 399-5023.

Public Safety has "Assistance Telephones" located through the Salem campus. Simply picking up a Public Safety telephone will place the caller in direct contact with the Public Safety Office. A review of Public Safety telephone installation is conducted on a continual basis to determine the appropriate location and number of telephones

Some college classrooms are equipped with telephones, which can be used to call for assistance and act as a speaker to broadcast emergency messages in the classroom.

Public Safety employees respond to all calls for service, but do prioritize response in accordance with the immediacy of the situation.

Response will be addressed under the following priority:

- 1. Matters involving personal safety or violence;
- 2. Property crimes; and
- 3. General requests for service.

The Public Safety Office strongly encourages anyone who witnesses a crime or suspicious activity, or has knowledge of criminal activity on college property to report that information either in person or by telephone in a timely manner. Signs are placed in college parking lots reminding people of the Public Safety telephone number and encouraging people to report suspicious activity. Reports by witnesses are kept confidential to the extent lawfully possible. Anonymous

reporting of student concerns is available by completing the "Student Concern Reporting form", which is available on the Complaints & Concerns page of the college's public website. However, reporting anonymously may impede the ability to perform a comprehensive investigation.

Although theft on college property is relatively infrequent, employees, students and visitors are encouraged to take responsibility for their personal property by not leaving items of value unattended, either in college buildings or parked vehicles.

Reports are written to document activities of the Public Safety Office and are subject to Oregon's Public Records Laws. These reports are maintained in a computerized database and copies are provided to the Law Enforcement Agency or Jurisdiction on which campus the incident occurred. Stolen items identified by a serial number are entered in a nationwide law enforcement database to assist in potential recovery of those items.

General Safety

Safety of students, employees and visitors is important to the college. Everyone has a role in providing a safe learning and working environment. The college community should use common sense precautions to avoid becoming a victim of crime. Consider the following suggestions:

- Avoid walking alone during evening hours
- If appropriate, contact the Public Safety Office for an escort to a parked vehicle
- Park in well-lit areas
- Be aware of your surroundings, and don't act like a potential victim
- Avoid traveling alone at night
- Remember the location of the assistance phones on campus
- If you are alone in an elevator with someone who makes you feel uneasy, get off the elevator
- Trust your instincts. If you think something is not quite right, go to where there are other people
- Always watch your drink and do not accept beverages from someone you don't know or trust
- Scan the interior of your parked car before entering
- Leave social events with friends
- Be aware of your surroundings. Do not walk and text
- Do not leave personal items unattended, either in parked vehicles or college buildings
- Notify Public Safety at 503.399.5023 of suspicious activities or people. (See Appendix G, policy #2410)

Access to Campus Facilities

Chemeketa's campuses and centers are open to the public, and do not have on or off-campus housing facilities. Buildings are generally open only when classes are scheduled. When the campus is closed, all exterior doors are locked prohibiting unauthorized entry. Buildings are locked and the campus is closed between 10:00 PM and 6:00 AM each day and all day on Sunday and holidays. I . (See Appendix E, policy 2280)

Access to buildings at outreach campuses is normally controlled by the Dean or Director of each location.

Entry to buildings by authorized persons outside of normal business is possible by using an issued key or electronic access card, or by calling the Public Safety Office. Keys and access cards are issued upon approval by the appropriate administrator and issued by the Public Safety Office. (See Appendix E, policy 2280)

Chemeketa Crime Awareness and Prevention Programs

Appropriate steps are taken when necessary to issue a timely warning of a crime that is deemed to represent a threat to our college community to aid in the prevention of similar crimes. The college has "Emergency Broadcast Telephones", at each outreach center/campus

The college has a variety of pamphlets related to personal safety issues that may be obtained from the Public Safety office. The college encourages students and employees to participate in public safety sponsored crime awareness programs.

The Public Safety Office may provide or coordinate presentations on crime awareness, personal safety and other related topics on request. Some group training examples include:

- Exempt Association members, including all college administrators
- Student Leadership
- Faculty groups
- Personal Safety Training at New Employee Orientation, using Chemeketa's training video "Run, Hide, Fight"

Risk Management

Emergency & Risk Management

The Emergency & Risk Management Department is part of the Governance & Administration division. The Director of Emergency & Risk Management reports directly to the Vice President of Governance & Administration.

Chemeketa has a standing committee for Emergency Preparedness. The committee members are consulted regularly for discussion, coordination, development, and review of emergency plans and procedures.

Emergency Preparedness Committee members were consulted for the development of the college's Emergency Procedures poster. These procedures address the basic actions an individual can take if presented with the eight most frequent or most impactful emergency situations most likely to occur at college locations, such as medical emergencies, power outage, fire, etc. This document is posted prominently in over 440 locations throughout college buildings and in classrooms. Additionally, the document is available online at the college's public Emergency Management website in English, Spanish, and Russian languages. The poster contains a QR code for each of the languages for access by electronic devices. The college's Director or Emergency and Risk Management Department consults with college departments, programs, offices, and individuals to create and review customized emergency plans and provide training.

The college has adopted the Incident Command System for responding to emergencies. During an emergency, the designated incident commander shall determine if the situation poses an immediate threat to the health or safety of students, employees or visitors. If the emergency is confirmed, the incident commander will determine the content of the message and initiate the notification system.

Many buildings have emergency generators to provide illumination for the expeditious evacuation of students and employees. The college has memorandums of understanding or agreement with local agencies for emergency services and support.

The college has adopted an Emergency Management policy. (See Appendix F, policy/procedure #2350).

The college has the following teams to support the various response stages to an emergency situation:

Care Team— The Chemeketa Community College Care Team is an internal group focused on prevention and early intervention in situations involving students experiencing distress or engaging in harmful or disruptive behaviors. The team will develop strategies and offer case coordination to manage disruptive behavior in order to protect the welfare and rights of both the individual(s) and the college community.

Threat Assessment Team (TAT) – The Chemeketa Community College Threat Assessment Team is an internal, multi- disciplinary team dedicated to the prevention of targeted acts of violence. Through the cooperative sharing of information , resources and the knowledge gained through training with leading experts in the field of threat assessment, the team endeavors to identify, assess, and manage situations where the risk of violence is imminent and/or anticipated.

Depending on the level of the perceived threat, the situation may be referred to appropriate community resources. This team is scheduled to meet bi-weekly. TAT team members participate in trainings to stay up-to- date on the latest information in the field of Threat Assessment. College representatives regularly participate on local threat assessment teams for adults and juveniles. Chemeketa has entered into Memorandums of Understanding with both the Mid-Willamette Valley Threat Assessment Team and the Yamhill County Threat Assessment Team, and collaborate on matters of concern

Emergency Management Office –This office coordinates with the college's senior leadership, Executive Team, Administrative team, department/program directors, the college's Safety Committee, and employees to identify and develop strategies to plan and prepare for, to mitigate, and to respond and recover from various emergency situations and natural and human influenced threats. The Director of Emergency and Risk Management develops, coordinates, and reviews the college's all-hazards Emergency Operations Plan (EOP) and the accompanying functional and hazard specific annexes. This office develops, implements, and reviews tabletop exercises conducted to assess college capabilities, the EOP, and Emergency Preparedness Poster. This office coordinates and supports the Emergency Operations Center.

Trauma Response Team (TRT) – The Chemeketa Community College Trauma Response Team is an internal, multi- disciplinary team dedicated to providing direct services to students and employees after a critical event occurs. The team coordinates the college's response to critical incidents involving students and employees while paying attention to the safety/security needs of the students and employees. The team will help to stabilize students and employees feelings of safety after a critical event and offers guidance and appropriate support to members of the college community, their families and college care- givers. The team will use critical incidents, when appropriate, as "teachable moments" which may enhance the quality of life for all impacted by critical incidents. This team is scheduled to meet as needed.

Violence Against Women Reauthorization Act of 2013 (VAWA)

Additional requirements added to the Annual Campus Security Report are as follows:

Chemeketa has a full-time Title IX Coordinator who reports to the Chief Diversity Officer. The deputy Title IX coordinators collaborate with the Title IX Coordinator as needed, and may serve as back-up in their absence.

There were multiple updates made in 2022 to VAWA. Updates notable to colleges include:

- Primary Prevention: All new students and employees must be offered programs covering the
 definition of sexual offenses and consent, signs of abusive behavior, and bystander intervention
 options Chemeketa does this through NEO for employees, Percipio for annual employee and
 student employee training, workshop offering for student athletes and new cohort based
 programs (i.e., nursing, law enforcement, fire suppression) and a Canvas course (being released
 fall of 2025) for all students to access every year).
- Climate Surveys: Colleges are required to conduct standardized campus climate surveys every
 two years to understand the prevalence of these crimes and inform future prevention efforts. Chemeketa has been doing this and will add a sexual violence climate survey that should be
 released by the HECC in the coming months.
- Survivor Resources: Institutions must provide clear information on available resources, law
 enforcement options, and protective measures, such as class schedule changes or safety
 planning. Chemeketa gives contact information for Title IX resources in campus restrooms and
 have Title IX and Public Safety resources available on our public website.
- Investigation Standards: Policies must ensure prompt, fair, and impartial investigations and resolutions of reported incidents. - Chemeketa is currently updating its policies and procedures to coincide with the OCCA policy recommendations.

 Expanded Scope and Support for Underserved Communities: The 2022 reauthorization specifically expands prevention programs and grants to serve marginalized groups, including those in rural areas and LGBTQ+ individuals. - Chemeketa has built up the Safe Haven staffing and resources as a result of grant funding from the state of Oregon. The college has also hired a sexual violence prevention coordinator.

Appropriate additions of crimes and definitions to the college's crime statistics are kept up to date. Pamphlets defining sexual assault, dating violence, domestic violence and stalking and giving safety and by-stander intervention information are available. College policies are continuously reviewed and updated to remain current with Title IX, The Clery Act, Violence Against Women Act of 2013 and the SAVE Act (See Appendix J, policy #1745).
